A quale appassionato di bicicletta non piace **andare a vedere e provare le ultime novità del settore** di tanto in tanto? O fare due chiacchiere insieme ad altri amanti delle pedalate? Un po' per passione, un po' per stare in compagnia, un po' per curiosità, le fiere delle biciclette e i bike festival sono spesso **un'occasione per fare festa e rifarsi gli occhi** (e spesso la bocca).

Sono numerosi gli eventi di questo tipo che vengono organizzati ogni anno in Italia: per aiutare i nostri lettori a restare informati e poter scegliere con comodo a quali appuntamenti partecipare, qui a [urban.bicilive.it](#) abbiamo pensato di creare un lungo elenco con i più importanti.

Aggiungeremo questa pagina mese dopo mese, anno dopo anno, così da offrirvi informazioni sempre fresche e attendibili.

Data dell'ultimo aggiornamento: **11 agosto 2017**

Pronti a salire in sella?

**Alimentazione e bici:
